

Highway 4 Widening and Proposed Talbotville Bypass (GWP 3042-22-00) Highway 3 Twinning (GWP 3041-22-00)

LEGEND			
	Proposed Lanes		Areas Under Consideration For Noise Mitigation
	Existing Limit of MTO Right-of-way		Potential Retaining Wall
	Proposed Traffic Signals		Potential Property Impacts
	Proposed MTO Property Boundary		Potential Drainage & Stormwater Management

Notes:
 1. The potential changes in traffic noise associated with the Preferred Plan is currently being reviewed. The proposed noise wall locations will be confirmed during Detail Design.
 2. Property boundaries are approximate.
 3. Proposed property impacts may be refined during Detail Design.
